Standard Operating Procedure (SOP)

Title: Party Return Note (PRN) Process – In Place of Return Purchase Order

1. Objective:

To define a standardized procedure for processing goods, return to vendor using **Party Return Note (PRN)** in place of **Return Purchase Order (RPO)** for improved tracking, accuracy, and workflow simplification.

2. Scope:

Applicable to all departments involved in procurement, store, and accounts handling vendor returns where materials are returned due to rejection, excess quantity, quality issues, or incorrect supply.

3. Responsibility:

Standard Operati..
